### Black Box Theatre

The Center's showpiece is the historic Black Box Theatre, an intimate 3,500 square foot theatre with approximately 2,200 square feet of performance space and a seating capacity of 163. The venue consists of moveable seating which supports a variety of uses from live theatre to concerts, dance productions, weddings and special events and parties. The simple and historic all black interior provides unlimited scene flexibility and offers a dramatic lighting, well suited to photography shoots or as a studio for video or film. The theatre also consists of flat hardwood floors, audio and a new lighting system.

The venue also includes a 180 square foot dressing room with lighted mirrors, a 400 square foot rehearsal room, a large lobby featuring stone floors and tall windows overlooking the 3,600 square foot walled stone courtyard shaded by large sycamore trees. The courtyard is perfect for warm-weather special events. The venue has held private parties, weddings, performances, and business meetings.

### The Meeting Room

The Center also includes a 784 square foot meeting room with a capacity of 75 people. The room has cathedral ceilings and large windows that overlook the adjoining courtyard.

Adjoining the room is a food preparation area and a large handicap accessible bathroom. The meeting room does include an area of counter spaces perfect for serving food or displaying items.
